

Engage and Educate Funding application

€150,000 awards fund

- Social Innovation Fund Ireland
- Mason Hayes & Curran
- Department of Rural and Community Development.

Offers

- A share of €150,000 fund, including both cash grant and business supports shared between 4 or 5 projects
- Access to an Accelerator Programme from July to December 2018.

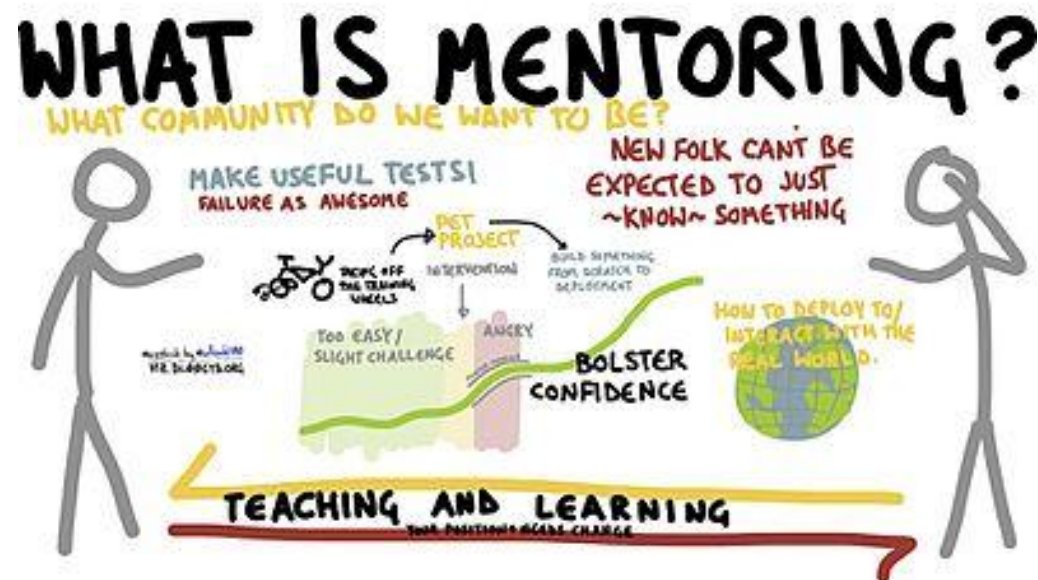

The programme will be made up of bespoke supports such as mentoring, assistance with strategic planning, and expertise on how to maximise impact

EDUCATE
FUND**

What it would mean to New Horizon

- Funding of €27000
- Business support assistance
 - Mentoring
 - Strategic planning
 - Fundraising
 - Marketing

What do we want to do?

Enable asylum seekers and refugees to access suitable educational opportunities:

Suitable learning opportunities are:

- Available to all
- Matched to learners needs
- Recognize existing skills
- Emphasize female involvement

Ensure that methods and tools developed are made widely available to organisations working with other deprived communities

**DREAMS DON'T
COME TRUE.
GOALS DO.**
